

TUITION POLICY

Tuition is charged at the rate of \$115 (subject to change) per credit hour for students who are citizens of the United States and residents of the state of Alabama or who have been approved for in-state tuition eligibility per the Alabama Community College System policy. Tuition rate is subject to change each Fall. Nonresidents of Alabama and students who are not citizens of the United States must pay a full-time tuition charge of 2.0 times the rate of resident tuition.

Tuition must be paid each term prior to the first day of class without exception. Presently enrolled students must register and pay their tuition no later than the close of business prior to the first day of class or they will be charged a \$25 late fee. Unless tuition is paid by the first day of the term, the student is considered no longer enrolled, and their slot may be filled from the waiting list for the course in which they were enrolled.

Eligibility for In-State Tuition Rates

The home address provided by a student on the Reid State Technical College admission application is used to determine the state in which a student resides. A student may change his/her address by completing a change of address form in the Registrar's Office. If the new address indicates a change from out-of-state to in-state status, a student must provide proof of Alabama residence. Acceptable proof includes an Alabama driver's license, a federal or state income tax form indicating an Alabama address, or a valid Alabama voter registration form.

Students or prospective students described below shall be eligible for "In-State" tuition rates:
